

ABOUT THE ROBESON COUNTY FAIR

The Robeson Regional Agricultural Fair actually began in 1947 as the Robeson County Farmers Festival and was organized by returning WWII veterans that made up the first Lumberton Jaycees. It was a one day festival held October 7 and celebrated local agriculture.

Today the Robeson County Fair is a nine day event that still celebrates agriculture and includes rides, games, and entertainment. With close to

100,000 visitors in attendance each year the fair is an annual family entertainment event unlike no other.

Combining old fashioned competitions in horticulture, art, and livestock with new twists such as texting contests, lawn mower racing, and a 3 point basketball shoot-

out. In 2009 Wade Shows partnered with the fair to offer the most spectacular rides and brightest midway of any county fair.

After the fair the fair board members work to improve the fairgrounds, give back to various non profit organizations and plan for next years county fair.
