1. Limited to youth participating in the 4-H Poultry Projects who pre-register with the Robeson County Center of North Carolina Cooperative Extension.
 2. Two laying hens, and/or two broilers, and/or one turkey should be delivered to the Robeson County Livestock building on Saturday, September 30, 2017 between 8 and 11 am to be blood tested. **Any bird that is not blood tested at this time will not be allowed in the building.** Completed project record books must also be submitted at this time. Project record books are not mandatory for youth outside of Robeson County but may be used by the judge in the event of a tie.
 3. Placings will be formulated on animal quality and showmanship. Ties will be broken based on the quality of the project record book.
 4. Poultry may be sold during the fair. Exhibitors receive all money direct from the buyer. There will not be an organized animal project sale. A turkey premium will be paid to youth who show turkeys and become the property of the Robeson Regional Agricultural Fair. For best bio-security practices these birds will not go home with the owners. All birds (except turkeys) are to be picked up between noon and 2 pm Sunday, October 8, 2017, **NOT BEFORE**. Any bird not picked up by 2 p.m. on October 8, 2017 will be given away.
