Rental Guide

about us

The Robeson Regional Agricultural Fair began in 1947 as the Robeson County Farmers Festival and was organized by returning WWII veterans that made up the first Lumberton Jaycees.

Now an all volunteer board puts together this annual event highlighting agriculture and giving back to the community.

Rental Opportunities

Reservations are made based on availability and are made once a completed contract, deposit, and proof of insurance have been submitted.

Please note a cleanup deposit may also be required based on the event.
